

NATIONAL SEMINAR

On Role of Biotechnology in Conservation of Biodiversity & Environment

12th & 13th April 2014

Registration Form

1. Name of the participant (in Capital)
.....
2. Designation.....Department.....
3. Institution/College.....
4. Postal address.....
.....
5. Email.....
6. Mode of Presentation- (Tick✓)
Poster : ☐ Oral : ☐
7. Mob.No.....
8. Title of Presentation :
.....
.....
9. Any Accompanying Person.....
10. Accomodation Required (Yes/No).....
11. Details of payment.....
12. D.D. intercity/ Cheque No.....
13. Dated.....
14. Amount.....
15. Name of Bank & branch.....

Date.....

NATIONAL SEMINAR

On Role of Biotechnology in Conservation of Biodiversity & Environment

12th & 13th April 2014

Organized by

[Estd. In 1989]
ISO 14001 : 2004 & 9001 : 2008
GICTS
GROUP OF INSTITUTIONS
GITS GICTS GICT GENIUS
Engg. / Mgmt. / Life Sc. / IT / School
Approved by AICTE, NCTE, UGC & DOEACC Govt. Of India
Affiliated to Jiwaji University, Gwalior (4 Star),
RGPV Univ. (State Technical University) & MCRPV Univ. Bhopal

DEPARTMENT OF LIFE SCIENCE

Mahadji Nagar, Shivpuri Link Road, Gwalior (M.P.)
Ph. : 0751-2448801-03, Mob. : 09425709801-808

Patron

Uday Ghatge

Chairman
GICTS Group of Institutions

Organizing Secretary

Dr. H.S. Goswami

Assistant Professor (Botany)
Mob.9074272171

INVITATION

The Organizing Committee is pleased to invite you to the National Seminar on **Role of Biotechnology in Conservation of Biodiversity & Environment**. The objective of this seminar is to provide a platform for interaction among scientists, students and representatives from Universities, Research Institutes and Industry actively involved in research in the thematic areas outlined. We hope that this seminar will provide an avenue for exchange of ideas and forging new collaborations which are imperative to the progress and development of modern Science.

FOCUSED AREAS

- Role of Biotechnology in human health
- Role of biotechnology in conservation of biodiversity
- Biotechnology in improvement of plant and animal
- Cell culture and secondary metabolite production
- Pharmaceutical biotechnology
- Sustainable development and conservation of biodiversity
- Medicinal plant and human health
- Diversity of plant, animal and microbes
- Rare, threatened, endangered and endemic species
- Biotechnology and environment conservation
- Environmental crisis and its solutions
- Waste management to control environmental degradation
- Bioremediation and biotechnological green solution
- Environmental and Engineering Chemistry
- Other dimensional approaches

ABOUT GWALIOR

Gwalior is a city in Madhya Pradesh, India, lying 122 kilometres (76 mi) south of Agra, and 423 kilometres (263 mi) north of Bhopal. Gwalior is the Administrative headquarters of Gwalior district and Gwalior division. It takes only 3 to 4 hours' train journey from New Delhi, Gwalior city has close relation with Indian history and culture. Gwalior is widely recognized by the work place of Rajmata Scindia, Atal Bihari Bajpai and beloved Madhavrao Scindia. The city has several important educational institutions including the Indian Institute of Information Technology and Management, Indian Institute of Travel and Tourism Management, Scindia School, and Laxmibai National University of Physical Education.

ABOUT INSTITUTIONS

Founded in 1989 by Mr. Uday Ghatge, GICTS Group of Institutions is internationally recognized for its leadership in quality education and is highly regarded for its renowned faculty and their research productivity. The GICTS Group of Institutions which includes GITS (For Engineering & Management) and GICTS (For Computer Science, Life Science & Management) has received many tributes in recent years due significant to its outstanding faculty, top-notch students, and personal attention provided. GICTM (For Computer Science & Management) our new B-School of Management is making exceptional progress. The classroom environment is interactive and dynamic. GICTS Group of Institutions is accredited, affiliated, authorized and certified by various agencies such as AICTE, NCTE, DOEACC, UGC, Jiwaji University, MCNUJC University and Rajiv Gandhi Technical University.

WHO CAN APPLY

Postgraduate students, Research Scholars, Academicians from Universities, Government Departments, Colleges, Research Institutes and Industries from different parts of India working in the area of education and research.

ABSTRACT SUBMISSION

Interested candidate may send the soft copy of abstracts for oral/posters presentation (12 font size, Times New Roman font and 1.5 spacing, 250 words) through email (hari.sharan4@gmail.com) and must get registered for acceptance of the abstract.

IMPORTANT DATES

Submission of Abstract : 02 April 2014
Acceptance information : 04 April 2014
Last date for registration : 05 April 2014

REGISTRATION DETAILS

Academician (faculty/ Scientist) : 900/
Research scholar : 700/
Student : 500/
Spot registration : 1000/

MODE OF PAYMENT

Registration fee is to be paid by DD of central bank or any nationalized bank drawn in favor of Principal, GICTS College, Gwalior payable at Gwalior.

ACCOMMODATION

Accommodation will be provided to participants on request in hotel or guest house on their own expense and in advance. Request may be forwarded to the organizing secretary.
